INSTITUTION/CLINIC

Date _____

Dear Sir/Madam

STUDENT FIELD ATTACHMENT

NAME OF STUDENT: _____

REGISTRATION NUMBER: _____

The above named is a 3rd year Bachelor of Veterinary Medicine student. He/She is required to undertake a field attachment for a total of eight (8) weeks starting from _____ to _____ as part of the requirements for the degree course.

The objective of the attachment is to expose the student to, practical meat Inspection (at least 4 weeks), practical clinical and laboratory techniques and procedures in veterinary medicine.

Kindly allow the student to be attached to your institution/laboratory/clinic.

Your assistance is highly appreciated.

Yours faithfully,

Dr. Daniel Senerwa
Attachment coordinator,
Dept. of public Health Pharmacology and Toxicology
