**DISPOSAL TITLE: URGENT DISPOSAL OF SIXTY EIGHT (68)
DRY/FALLEN/DANGEROUSLY HANGING TREES AT THE UON-
VETFARM SECTION-KANYARIRI.**

REFERENCE NO. UON/FVM/DISP/Q/006/04/24-25

The Faculty of Veterinary Medicine is in need of urgently disposing the above trees which have been found to be dry/fallen/dangerously hanging at the UoN-Vetfarm section Kanyariri. The trees species include the following:

- i. Croton Megalocarpus – 15 trees
- ii. Nandi Flame – 1 tree
- iii. Eucalyptus – 10 trees
- iv. Jacaranda- 5 trees
- v. Unknown species - 2
- vi. Gravelia species – 11 trees
- vii. Cyprus – 18 trees
- viii. Pine- 6 trees

Interested firms and individuals are hereby invited to collect quotation forms for the said animals, fill them and submit them for consideration.

Bidders to note that:

- Award of tender will be done in favor of the overall highest bidder who will have quoted for all the trees.
- On collection day, the awarded party **will be expected to collect every tree as per the above list plus its residuals and leave the location as clean as it was found.** nb. Gate pass would only be issued after site inspection has been done and certified OK by the Manager, Vetfarm

Instructions to bidders:

- Quotation forms **to be obtained in hard copy** from the Faculty Procurement Office (Located within the Office of the Dean, Faculty of Veterinary Medicine, UoN, Upper Kabete Campus).
- Sealed quotations with the above reference number written on top shall be dropped **in the quotation box** that is within the reception area at the Office of the Dean, Faculty of Agriculture (Upper Kabete Campus).
- The trees can be viewed from **Monday (07/04/25) to Thursday (10/04/2025) between 10.00am and 3.00PM**
- The deadline for submitting the sealed quotations is **Thursday 10/04/25 at 10.00am.**
- Opening of the bids will be done on Friday **11/04/25 at 10.30am.**

Regards

Mr.S.N. Thuo
